CENTER YOUR WICK

- *Place wick in holder
- *Place wick sticker on bottom of holder
- *Place wick holder in the center of the jar, eyeball for center :)
- *Place warning label on the bottom of jar.

CHOOSE YOUR FRAGRANCE

- *Smell fragrances to decide on 2 for your candle.
- *Consider if your candle will be a gift or kept for yourself and where it will be placed.

FRAGRANCE CREATION

- *Place jigger on scale and tare. Pour fragrance oil from chosen bottles into jigger to 0.58.
- *Get inspired by the smell you created to come up with a name for your candle.

POUR & MIX

- *Pour your fragrance into the jar
- *Fill up with wax leaving 1/8 inch of wick exposed.
- *Set timer for 3 minutes & stir slowly.
- *Cover your jar with lid.

LABEL CREATION

- *Based on the unique fragrance you created and who you will gift it to or where you will place it? Design the label that will adorn your candle.
